ZELLER SCRATCH & DENT APPLIANCE AND BEDDING

35 Years of Achievement

Started as a television sales and repair shop by Jim and Jane Zeller in 1971, Zeller's has grown and evolved over the years to where it now offers expanded product lines. Jim Zeller, who as a youth had apprenticed under other local TV dealers after school, first located his own television dealership at 417 Fourth Street in Defiance. Zeller's added its Scratch & Dent store in 1996. Over the years, the second generation of the Zeller family Jim III, Bill and Amy has been extremely active in growing the business. Currently, Jimmy is involved in the day-to-day management of the Scratch and Dent/Appliances and Bedding product line.
